### Product Description

Garden Potting Bench, miniature Summer time - garden time. The garden potting bench is decorated with an assortment of garden accessories, which can be placed in storage compartments at various heights. From the green and white checkered apron with matching straw hat to the flower pots and potting soil, everything looks just like in your own garden. More details, such as a little bird with house or the box with delicate flowers make the potting bench appear even more naturalistic.

Reutter is constantly working on rounding off and completing their collection of miniatures. They succeed in inspiring collectors all over the world again and again.
