Product Description

Room Box "Music House, miniature

The room box "Music House" consists of more than 40 individual items and is lovingly handcrafted by Reutter's craftsmen. In addition to a violin, a saxophone and various other instruments, it also contains pictures and sculptures by famous composers and musicians. Give this room box as a gift to music-loving friends or relatives, so that they always have their personal music house right in their vicinity. Or make yourself happy with the room box "Music House". It has a hanger on the back which allows easy mounting to the wall. For more than 60 years, Reutter has been manufacturing their porcelain collections in their own production factory. Their porcelain miniatures are the only ones of their kind to be manufactured in Germany. And they are famous for their attention to detail. During production, each porcelain item passes through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and, all in all, fired three times to give them their characteristic Reutter look.

Reutter is constantly working on rounding off and completing their collection of miniatures. They succeed in inspiring collectors all over the world again and again.
