Product Description

High-Flush Toilet, White, miniature

As with all miniatures of Reutter porcelain, the attention to detail can be seen here as well. Among the variety of miniatures you can see the white high-flush toilet with gold edge and brown toilet seat/lid.

For more than 60 years, Reutter has been manufacturing their porcelain collections in their own production factory. Their porcelain miniatures are the only ones of their kind to be manufactured in Germany. And they are famous for their attention to detail. During production, each porcelain item passes through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and, all in all, fired three times to give them their characteristic Reutter look.

Reutter is constantly working on rounding off and completing their collection of miniatures. They always succeed in inspiring collectors from all over the world.
