

Item no.: 321373 001.399/5 - Cuckoo clock, miniature

## Product Description

## Cuckoo clock, miniature

Cuckoo clock with many small details that make the clock something special. Our traditional style cuckoo clock is fashioned after the originals still being produced in the Black Forest region of Germany. Clock is made of resin, highly detailed and hand painted. Metal weights are attached. Clock is non-working. Reutter is constantly working on rounding off and completing its collection of miniatures. They always succeed in inspiring collectors from all over the world.
