Product Description

Advent calendar "Schwanenschlösschen"

The "Schwanenschlösschen" in Freiberg in Saxony has a 100 year history. Woldemar Bretschneider had the bold idea to build a restaurant in the form of an enchantingly beautiful castle in the "Kreuzteich". He got the building permit in 1896 and in 1897 the concession for the serving of alcoholic beverages. The "Schwanenschlösschen" has gone through many ups and downs in its history, but never lost its charm. It is one of Freiberg's most beautiful landmarks. The beautiful architecture and the location in the "Kreuzteich" makes it a popular excursion spot.

In winter you can ice skate and in the summer you can ride on the "Kreuzteich" at the Schwanenschlösschen in Freiberg. Our Advent calendar with the view of the Schwanenschlösschen in Freiberg invites you not only to open the 24 windows, but also to stop and enjoy the romantic place. The history of Freiberg is closely linked to the history of Saxony and to ore mining. Freiberg is the gateway to the Erzgebirge. The "TU Bergbau Freiberg" has a long tradition and attracts many interested students.
