Product Description

Advent calendar "Berlin Brandenburg Gate"

In 1788, King Frederick William II had the Brandenburg Gate built in classical style. This monumental building is the most famous landmark that symbolizes both the division of Berlin and Germany as well as the reunification of Germany. On our advent calendar we show the Brandenburger Tor into a peaceful Christmas atmosphere.

Every visitor of Berlin must have seen the Brandenburg Gate, the most important building in Berlin, once. As a souvenir of the visit to the city, there is no more beautiful gift than our Advent calendar with the Brandenburg Gate.
