Product Description

Advent calendar "Salzburg"

Salzburg, the birthplace of Wolfgang Amadeus Mozart, was worth creating an advent calendar by Brück & Sohn. The romantic view over the Salzach to Salzburg with its sights like the cathedral and the fortress Hohensalzburg invites you to visit Salzburg. You will meet the wonder boy Wolfgang Amadeus Mozart on every step you take in Salzburg, like as a Mozart monument, as a Mozartplatz and Mozartsteg and as a delicious Mozartkugel.

In 1997, UNESCO added Salzburg to the World Heritage List. And the Salzburg Festival with the most famous play "Jedermann" by Hugo von Hoffmannsthal are world famous. This advent calendar from Salzburg is a nice souvenir for every tourist. When opening the small windows in Advent, you can remember your visit of the magical city of Salzburg.
