Product Description

Mini Advent calendar "Lübeck"

Send this Mini Advent Calendar from the Hanseatic Town of Lübeck to all your friends, business partners and families to send them Advent greetings and invite them to Lübeck for Christmas. Lübeck's old town with the seven towers is an island, embraced by the Trave. The seven towers tower from the cathedral, the Peterskirche, the Aegidienkirche, the Marienkirche and the Jakobikirche into the sky over Lübeck's old town.

The monumental "Holstentor" is world famous and the landmark of the Hanseatic city of Lübeck. The motif of the Advent calendar shows the wonderful variety of gable houses typical of northern Germany.
