Product Description

Mini Advent calendar "Wernigerode"

The historic Wernigerode Town Hall is a Mecca for couples willing to marry. Wernigerode is known beyond Germany's borders as a place for a fairytale wedding. The enchanting half-timbered facade and the more than 500-year-old council chamber of the historic town hall in Wernigerode invites you to join in at this wonderful ambience. In the 16th century, the Wernigerode town hall was rebuilt from a playhouse to a town hall and since then has undergone many other conversions, additions and embellishments.

Wernigerode is a sightseeing town and worth seeing, in the Harz region at the foot of the Mountain Brocken. The half-timbered houses typical for this region can be found here in beautiful designs. Our advent calendar in the form of a greeting card invites you to visit the magical city at the "Brocken", the home of the "Brockenwitch". First, however you have to open the 24 little windows and reveal their surprises. Regional and Christmas pictures, lovingly painted, will give you pleasure.
