Product Description

Mini Advent calendar "Würzburg Mainshore"

Our little advent calendar in the form of a greeting card is perfectly suited to be sent all over the world to tell of the beauty of Würzburg. 24 pictures with Christmas motifs and regional features of Würzburg hide behind the windows. Würzburg on Main looks back on more than 1300 years of city history and offers countless sights. The most famous and most striking is probably the fortress Marienberg with the baroque pilgrimage church "Käppele" next to it.

However, the Würzburg Residence, the Old Main Bridge, St. Kilian's Cathedral, Falkenhaus, Alter Kranen, the Civic Hospital of the Holy Spirit and the old University of Julius-Maximilian are no less important. The "Käppele" and the Würzburg Residence were designed by Baltasar Neumann. In 1981, UNESCO included the Würzburg Residence with the Hofgarten in the list of world cultural heritage. A famous city citizen was Wilhelm Conrad Röntgen.
