Product Description

Christmas folding card "Berlin Dom"

This Christmas card has the same motif as the advent calendar "Berlin Dom". People enjoy themselves in the snowy "Lustgarten". In the background is the historic Berlin Palace. At the time of Emperor Wilhelm II, the Berlin "Dom" was built. It was the court and cathedral church of the "Hohenzollern" and houses many attractions, such as the Imperial staircase, the baptismal and wedding church and the Hohenzollern crypt. This folding card is ideal as a greeting card to business partners.
