Product Description

Shadow Box Display "Small Bakery", miniature

Porcelain art works behind glass. The mini shadow box display "Small Bakery" is lovingly and carefully crafted by hand. The love for detail becomes visible in the many small decorations, such as various breads, rolls, cakes and tarts, supplemented by porcelain tableware and porcelain cake plates. The shadow box measures 20 x 8 x 15 cm and contains a real glass window. The shadow box display "Small Bakery" is completely decorated and sold as shown! The accessories are permanently attached to the pieces of furniture. For more than 60 years, Reutter have been producing their large porcelain collection themselves. Their porcelain miniatures are the only ones in Germany.

The attention belongs entirely to the detail. Up to 17 times, the porcelain items are picked up during production; they are poured, glazed, painted and fired for the third time until they have their typical Reutter flair. This craftsmanship has brought them friends all over the world.

Reutter are constantly working on rounding off and completing their collection of miniatures. They succeed in consistently inspiring collectors from all over the world.
