Product Description

M.W. Reutter - Shadow box display "Terrace Café", miniature

The shadow box display "Terrace Café" inspires by its detailed and careful craftsmanship. Discover the wide range of cakes and tarts and the matching delicacies. In addition to muffins, biscuits and pralines, beautiful miniature porcelain invites you to enjoy coffee and cake on the welcoming terrace. Gift this "Terrace Café" to enthusiastic coffee house visitors or give yourself a treat.

For more than 60 years, Reutter have been producing their large porcelain collection themselves. Their porcelain miniatures are the only ones in Germany.

The attention belongs entirely to the detail. Up to 17 times, the porcelain items are picked up during production; they are poured, glazed, painted and fired for the third time until they have their typical Reutter flair. This craftsmanship has brought them friends all over the world.

Reutter are constantly working on rounding off and completing their collection of miniatures. They succeed in consistently inspiring collectors from all over the world.
