Product Description

Table lamp COCOON AQUAREL multicolored

Glass table lamp on a wooden base. The original shape of the lampshade. Each lamp is unique due to the manual forming of glass by Polish glassmakers. Lampshade in interesting color delicately scatters light. The bulb socket G9 has been mounted in the lamp. A 1.5 meter long cable with a switch. The lamp will be a perfect complement to modern interiors. No light bulb included. The product is made in Poland. The lamp is also available in a different size and with a lampshade in a different color.
