Product Description

gie el. - Glass vase STALACTITE honey

A medium sized glass vase. Attracts attention with its beautiful honey color and unusual texture. The vases are hand-made by Polish glaziers, therefore each piece has its own unique pattern and may differ slightly in shape and shade. Branded with Gie El logo. Fits modern and minimalist interiors as well as more traditional ones. You can place it alone or in a group of few pieces on a coffee table, bookcase or window sill. Looks great with both flowers and without decorations.
