### Product Description

#### Christmas tree SPIRA SMALL

SPIRA SMALL is designed for those who want to make the most of their space. If you use it as a table Christmas tree, have limited space or just want to keep things small and simple, this is the perfect choice.

Assembly is simple, just assemble the stand, lift the spiral and place it over the pole. Natural wood scent and countless decoration possibilities let you enjoy the Spira Christmas tree for many years.

The Spira Christmas tree is made of laser-cut plywood and a wooden stand. With its inventive packaging, the entire tree can be assembled and disassembled in a minute and packed in a 5 cm high cardboard box.

Spira is a product made with love under the Alps. It is handmade by skilled craftsmen. We only make what inspires us and what we are really enthusiastic about. We focus on every detail and have made it our mission to develop technical perfection. Nothing is left to chance.

Spira Mini is an ideal table decoration for your home or office. A unique design piece that instantly creates a festive atmosphere. Spira Mini is in a box that is only 2.5 cm high. This makes it quick and easy to set up and takes up very little space.

Research shows that Christmas decorations improve our mood. Our brain associates decorations with pleasant festive feelings and triggers dopamine, also known as the happiness hormone.
