Product Description

BUDDY Chess Set natural

Looking for a slick chessboard that suits your modern tastes? Umbra has you covered with this contemporary, stylish set.

The BUDDY Chess Set is an elegant addition to any space, able to serve as eye-catching decor when not in use. It sports polished black and charcoal tiles and cast zinc chess pieces with nickel and titanium finishes. The board's glossy coating, in combination with the velvet lining under the individual pieces allows for optimal movement of the BUDDY chess pieces.

This chessboard is both a practical size for chess games, and able to be easily packed away for hassle-free storage. The set's ash wood frame has a hidden compartment to store its 32 metal chess pieces.
