Product Description

Cat

Cats set the tone, and they enchant us again and again.

This porcelain figure of the house W&A is a popular gift or souvenir, which makes the heart of cat friends beat faster. No matter where you place it, it makes it clear that you also like these unconventional, charming animals.

Wagner & Apel is a traditional manufacture from Thuringia. A lot of devotion, patience and craftsmanship flows into every model shape. Far away from industrial mass production, every figure, every animal sculpture and every single gift item receives the greatest attention. Because only in manual work can fine porcelain be transformed into unique favourites.
