Product Description

Grey Heron

The grey heron is our second largest native bird after the stork. The lifelike replica of the popular collector's items make this pretty grey heron the ideal gift for people who appreciate handwork "Made in Germany".

Wagner & Apel is a traditional manufactory from Thuringia. A lot of dedication, patience and craftsmanship flows into every model shape. Far away from industrial mass production, every figure, every animal sculpture and every single gift item receives the greatest attention. Only by hand can fine porcelain be transformed into unique favourites.
