Product Description

Mops

"A life without a pug is possible but pointless." Dogs are regarded as very loyal companions and are most frequently represented in fiction, along with horses and cats. Who is surprised?

This porcelain figure from the house W&A represents a popular gift or souvenir, which makes the heart of dog friends beat faster. No matter where you place it, it makes it clear that you also like these loyal animals.

Wagner & Apel is a traditional manufacture from Thuringia. A lot of devotion, patience and craftsmanship flows into every model shape. Far away from industrial mass production, every figure, every animal sculpture and every single gift item receives the greatest attention. Because only in manual work can fine porcelain be transformed into unique favourites.
