Product Description

Flapper - Coat rack, black/walnut

With Flapper you get a coat rack that is neither bulky nor unfashionable. With it you can quickly and easily grab your outdoor clothing and go. This wooden coatrack stands tall and sleek with nine flip-down hooks, offering ample storage with the ability to tuck away when not in use. Made of wood, Flapper has a tree-like esthetic, while being entirely modern. Available in a variety of modern finishes, Flapper is sleek in design while keeping ample utility, making it great in compact spaces.
