Product Description

Tucan - Toilet Paper Stand, nickel

Tucan is a freestanding toilet paper stand with an integrated reserve for storing toilet paper rolls. Using often underutilized vertical square footage, while maintaining a small footprint, Tucan holds five toilet paper rolls and dispenses one. This toilet paper stand and reserve has a dispensing head that flips up and down, flip it up to load and grab your toilet paper rolls and flip is down to dispense toilet paper rolls. Featuring clean lines with a smooth, brushed nickel finish, Tucan has a weighted base to prevent it from toppling over and is easy to maintain, simply wipe it down if it needs cleaning.
