Product Description

SLIP long shoehorn, aluminium

The Slip long handle shoe horn is the solution to end the common struggle of slipping on shoes; but with a modern twist. Its extra-long chrome-plated aluminum design, measuring 44 x 4 x 4 cm, Slip makes sliding your shoes on quick and easy, with minimal bending required - especially useful for anyone suffering with back pain.

Umbra is an internationally operating design company known for original, modern, cool, functional and affordable products for home & living.

A modern take on a classic shoe horn, designed with an extra-long handle to maximize the ease of sliding shoes on; the extended length is beneficial for every height.
