Product Description

CUBIKO Shower Caddy, black

Cubiko is composed of two large shelves, a versatile hook for hanging over your shower head or clipping to a shower door, suction cups for additional stability and s-hooks for customizable storage. The S-hooks can be used to store additional items such as razors, sponges or towels.

Cubiko features drainage holes built throughout it, ensuring your products dry quickly. Each shelf has two larger holes that allow shampoo bottles to be stored spout down, so product can be dispensed more easily. Cubiko can be hooked over your shower head or shower door.
