Product Description

TOUCH Trash can with lid, white

This trash can is the modern answer to the traditional garbage can. Its soft and matte texture gives Touch a luxurious and modern design while its flat swing lid discreetly conceals the contents. With a capacity of 6 L, a diameter of 19 cm and a height of 26 cm, it is large enough not to have to empty it all the time and small enough to fit almost anywhere.

The bathroom trash can is part of the Touch bathroom collection, which was created for Umbra by designer Alan Wisniewski. This collection also includes soap dish (3355545), toilet brush (335558), toothbrush holder (335555) and soap dispenser (335550). In addition, the Touch collection is available in various classic and trendy colors, such as black (335559) and gray (335560).
