Product Description

BELLWOOD storage side table with cable duct, black/walnut

Umbra Bellwood is a side table with storage space and cable duct made of steel.

A modern and multifunctional piece of furniture that offers storage space and perfect storage for unsightly charging cables. We present the Bellwood side table by Umbra: Made of high-quality wood and metal, this side table is versatile and its discreet and modern design harmonises with all home décors. A bracket is attached to the underside of the table top to which charging cables can be attached so that they are almost invisible. The power supply unit of the charging cable can be pulled through the specially designed opening in Bellwood's base. The table top provides storage space for your mobile phone or tray or a glass of wine, while Bellwood's storage area provides space for larger items such as magazines, books, blankets and much more.

Are you looking for a multifunctional, space-saving side table that also looks decorative? Then order your Bellwood side table from Umbra today!

Umbra is an internationally operating design company known for original, modern, cool, functional and affordable products for home & living.
