Product Description

SWIVEL Napkin Holder, black/nickel

Swivel is a modern and versatile napkin holder. Made of cast metal and molded plastic swivelling arms. The spring mechanism within Swivel applies pressure to the napkins so that as the amount varies, the shape changes to accommodate the amount. Swivel makes it easy to load napkins and collapses for space saving storage. The combination of metal plating and molded arms creates a sleek, elegant product, its simplicity allowing it to be easily integrated into existing spaces.
