Product Description

T-FRAME T-Shirt Display M, black

Umbra T-Frame is a jersey frame, a picture frame for ice hockey, baseball, football (NFL) and rugby jerseys.

This unique T-Shirt display case is made to showcase your favorite sports, concert, graphic or athletic t-shirts. Since its shaped like a t-shirt, you can easily fold your shirt into the frame for a compact display that will keep it looking pristine. Included is a folding guide allowing you to align your shirt perfectly in the frame. With this quick and easy to use solution, you dont have to worry about your shirt sagging in a shadowbox, or being unprotected outside a frame.

Made with shatter-proof acrylic your t-shirt will be safe and dust-proof behind this wall display. Simply fold your t-shirt on the built-in folding template and then place the jersey inside the frame. Umbras T-Frame is available in a small (21.88 x 19.88 x 1.13 inches), medium (31.88 x 28.38 x 2.5 inches), and large (36 x 32.88 x 1.25 inches) size to accommodate your different t-shirts and jerseys.
