Product Description

CASCADA cosmetics and makeup organizer, transparent

Umbra Cascada is a cosmetics and makeup organizer with an integrated container, 2-stage and 360 degrees rotatable.

Cascada is a makeup organizer that catches the eye with its modern, organic design. Its numerous storage compartments offer ample space for cosmetic products and makeup accessories. Cascada can be used flexibly because the two floors can be stacked on top of each other or set up individually. The base level can be rotated 36 degrees, which makes it particularly easy to access the items stored on it. Cascada comes with 9 dividers that can be inserted individually to separate compartments.

Cascada is a functional and versatile organizer that can be used as an organizational tool in many areas in your home. Thanks to its subtle and modern design, Cascada is compatible with numerous decor styles.

About Umbra: Umbra is an international design company that is known for original, modern, cool, functional and affordable products for home and living.
