Product Description

Advent calendar - Baumfrevel

"Baumfrevel" is the appropriate title for this hand-colored historical wood engraving, which we have turned into an advent calendar. This funny scene has caused us to write a poem that describes this image. It is printed on the back of the advent calendar. This advent calendar will make dog lovers smile and is therefore a "must" for them. The historical woodcut comes from the archive publishing house Werner in Munich.

- Format: 38 x 26 cm
- Quality: Carton 380 g/m2 Gemini1, packed in plastic wrap
- Artist: according to W. Heubach, Archiv Verlag Werner
