Product Description

Incense cones flower bouquet M, 24 pieces

Enjoy fruity scents all year round.

Flowery components made of dew-wetted rose petals, carnations, freshly cut clover and a touch of summer air pamper you in this balsamic smoky fragrance. Feel the delicate note of white jasmine and cassis and dream of a wonderful summer meadow.

The original Crottendorfer incense cones are made from charcoal, wood flour, potato starch as a binding agent and exquisite fragrances such as resins, herbs, essential oils and much more.

Our specialist knowledge, which has grown over decades and passed on from generation to generation, is decisive for the high level of quality.

Incense candles, incense sticks and incense may only be used on a fire-proof surface and under supervision. Please note that all incense burners can get hot during use. Therefore, always place the censer on a temperature-insensitive surface.

Use a sufficiently large censer for every incense cone size!
