Product Description

Incense cones Harmony M, 20 pieces

Sensual Magic - wellness for the senses.

Fine scents and soothing smoke seduce our senses in an extraordinary way. The magic of exquisite ingredients unfolds its sensual magic in the fragrance creations of the "Sensual Magic" series. Whether in the bathroom, in the sauna or while relaxing - with these wellness fragrances you leave everyday life behind you.

We captured autumn in New England. A symphony of colors, scents and late summer warmth flows around you in the mist of these incense cones. Enjoy the woody, smoky, spicy fragrance with its mossy touch. Sweet tart and fruity like the last fully ripe fruits of summer.

The original Crottendorfer incense cones are made from charcoal, wood flour, potato starch as a binding agent and exquisite fragrances such as resins, herbs, essential oils and much more.

Our specialist knowledge, which has grown over decades and passed on from generation to generation, is decisive for the high level of quality.

Incense candles, incense sticks and incense may only be used on a fire-proof surface and under supervision. Please note that all incense burners can get hot during use. Therefore, always place the censer on a temperature-insensitive surface.

Use a sufficiently large censer for every incense cone size!
