Product Description

"Schießberg" box gift set

With our wonderful gift sets for smoking and fragrance fans, you will find everything you need to start smoking straight away. The most popular incense cones in a box:

- 20 pieces incense cones Christmas. Frankincense, size XL
- 80 pieces incense cones Christmas. Frankincense, size L
- 1 wooden pot with insert
- 1 box of matches

During the manufacture of the incense candle, a mass is created from charcoal, potato flour as a binding agent, sandalwood, red beech flour and some other ingredients for easy flammability, to which only the fragrance is added. In addition to the "royal powder" frankincense, other substances from distant, exotic countries are added to the candle mash, such as amber, lavender, mastic or balsam of Peru. The candles are then shaped, dried and packaged from this raw pulp.
