Product Description

Thermometer "Lily", Metal, Galvanized, Ø 22 cm

The NeXtime "Lily" is a metal garden thermometer that can be used outside. The use of extra rubber rings to protect the water from reaching the delicate parts of the thermometer is making this meter special and weatherproof. The thermometer is robust and from metal and with Ø 22cm it will fit everywhere. The dial is white and has big numbers and blue and red colors for easy understanding of the current temperature. Because of the black hand, the meter is easy to read. The meter doesn't need any batteries.
