### Product Description

CONO wireless LED table lamp, grey

Umbra Cono lamp is a wireless LED table lamp, dimmable for living room, study, bedroom and more.

This interactive lamp has 4 legs that also serve as a handle, so you can easily pick it up and change its position. Thanks to its dimmable feature and functional design, Cono makes it easy to create a variety of moods - Cono can be turned upside down (for a touch of illumination), on its side to create a spotlight, or even on the go.

Cono's integrated LED light has a lifespan of up to 30,000 hours and features a dimmable switch for easy control of light intensity. Includes rechargeable batteries and a USB cable for easy charging when the battery runs low.

About Umbra: Umbra is an internationally operating design company known for original, modern, cool, functional and affordable products for home and life.
