Product Description

FLIP 5 coat hook, black

Umbra Flip 5 coat hook is a modern, simple and space-saving coat rack with 5 movable hooks for jackets, coats, scarves, handbags and more.

Flip is a modern and functional coat rack that provides spacious storage for jackets and accessories in the hallway, bedroom, office and bathroom. Flip features foldable hooks that can be easily folded back when not in use. Despite its simple and space-saving design, Flip offers a surprising amount of space and makes it a perfect holder for jackets, scarves, bags and more - for you, your family and your guests. Flip really can be placed in any room in your home and thanks to the special design, the suspension at the back is not visible, which gives Flip its weightless and floating look.
