Product Description

UDRY PEG Dish Drainer, anthracite

Umbra Udry Peg dish drainer rack with microfibre mat is a foldable and space-saving dish drying solution.

Our popular Udry drying rack with microfibre mat is now also available with an adjustable holding system. Udry Peg comes with 8 pegs and allows maximum adaptability and use of space when drying unusually shaped dishes. The extra absorbent microfibre mat and the dish rack with movable pegs ensure that your dishes dry quickly.

Udry is optimal when it is in use. When not in use, the dish dryer can be folded compactly and stored in a cupboard to save space, so that your worktop is not unnecessarily cluttered. This functional and space-saving dish drying solution offers storage space and creates order on every work surface.

About Umbra: Umbra is an internationally operating design company known for original, modern, cool, functional and affordable products for home and life.
