

Item no.: 362373

Valerie 2 Bottle Cooler

from **114,40 EUR**

Item no.: 362373
shipping weight: 1.10 kg
Manufacturer: Philippi Design

Product Description

VALERIE keeps 2 bottles of different sizes at a low temperature for up to 8 hours. This is not only economical and saves ice, it also looks outrageously cool. While even the magnum bottle finds enough space in the larger compartment, wine, spirits, beer or soft drinks bathe alternately in the smaller compartment. Summer party, picnic, gastronomy - the ice-cold professional for all occasions.

A damp cloth is all that is needed to clean the bottle cooler. The shine of the cooler is permanently preserved. The cooler is suitable for summer parties and can of course also be used in the garden.

Attention! Not suitable for children under 36 months.

- Material: highly polished stainless steel
- Weight: 1,14 kg
- Length: 29 cm
