

Item no.: 362409

Decade Vase L

from **132,99 EUR**

Item no.: 362409
shipping weight: 2.90 kg
Manufacturer: Philippi Design

Product Description

DECADE loves to present flowers slightly raised from the ground in an exclusive way. But it is just as happy to be used as a double picture frame, decorated with flowers or shells. And this vase is always open for your very own decoration ideas. Its elliptical shape makes DECADE particularly suitable for narrow spaces such as window sills. Caution! Not suitable for children under 36 months.

- Material: glass, zinc die-cast, chrome-plated
