

Item no.: 362421

Float vase, t.s.

from **44,09 EUR**

Item no.: 362421
shipping weight: 0.80 kg
Manufacturer: Philippi Design

Product Description

There is nothing that can upset the FLOAT vase - it hangs freely suspended in the metal frame and at the same time lifts flowers into new spheres. For pouring or filling, the ceramic body can be unhooked and shines even with just a few flowers. Whether its shapely body steals the show from the floral bouquet or vice versa, who knows? Either way, it is a highlight.

Caution: Not suitable for children under 36 months. Not suitable for children under 36 months.

- Material: porcelain, steel, powder-coated
- Weight: 875 g
- Length: 25 cm
