

Item no.: 362448

Wilhelm drip tray

from **20,90 EUR**

Item no.: 362448
shipping weight: 0.10 kg
Manufacturer: Philippi Design

Product Description

The glass drip tray has only one, tiny task, as its name suggests - but it solves this task with maximum ease thanks to its dimensions, which are designed exactly for the sieves from the LÁSZLÓ and MARIANNE coffee and tea makers.

Elegant and heat-resistant - The tray is made of borosilicate glass which is characterised by a particularly high heat resistance.

Attention! Not suitable for children under 36 months.

- Material: borosilicate glass
- Weight: 292 g

- Length: 13 cm
- Width: 13 cm
- Height: 5 cm
