Product Description

On the coolness scale of 1 to 10, the frame is at least a 12. The heavy, solid finish of a cast metal-nickel mix is highly polished and has a hinged metal stand on the back. Add to this a 12mm thick raised glass for unseen perspectives. So much shine for the desk in the office or home office.

With a family photo or as a reminder of a special moment, the ALBA frame makes a beautiful and high quality gentleman's gift.

Caution. Not suitable for children under 36 months.
