Outback Vase, S

from **60,94 EUR**

Item no.: 362629
shipping weight: 1.10 kg
Manufacturer: Philippi Design

Product Description

The vases in two available sizes and shapes stand for one thing above all: the OUTBACK. Inspired by the rough and daring charm of the Australian backcountry and its aborigines, who have been living there for what feels like 50,000 years, the powder-coated vessels made of aluminium with their hammered surface are witnesses to high craftsmanship. Wild and untouched. Dark and mysterious - the look that attracts the eye. With a little floral skill and a few discreet flowers, they finally unfold their full splendour with maximum stylistic confidence. OUTBACK - far away from any civilisation and yet completely civilised.

Caution. Not suitable for children under 36 months.

- Material: aluminium, powder-coated
- Weight: 1,75 kg
- Length: 27 cm
- Width: 9 cm
