Product Description

A TRIO WITH A GLAMOROUS APPEARANCE!

The timeless vases by designer Andreas Ostwald love a stable environment in luxury. Their flawless finish in a stainless steel-nickel material mix also carries visual weight and nothing knocks them down in a hurry. In three different sizes and shapes, they feel most at home in combination with lush bouquets of flowers in the entrance area, living room, office or in the catering trade.

- Luxury for your home: High-quality vase made of solid aluminium in three different sizes
- Ideal for the entrance area, living room, office or gastronomy. The ANAIS vases have a heavy base and thus stand stably on the floor
- The ANAIS vases with their organic shape are particularly suitable for large and long-stemmed bouquets of flowers
- Material: highly polished nickel plating
- Weight: 1,50 kg
