Product Description

A heart always has two sides. Namely a good one. And one good one. The side lacquered in radiant red stands for love and nothing but pure love. In contrast, the highly polished reverse side of the SWEETHEART key ring virtually begs for an engraving whose message stands for love and nothing but pure love. This is the proof: you can twist it any way you like, there is so much heart in it.

Caution. Not suitable for children under 36 months.
