Product Description

Umbra Adhesive Toilet Brush makes cleaning your toilet a less gruesome chore. With rubberized bristles that are both soft and durable, this toilet brush prevents odor-causing bacteria, mold or mildew for a sanitary and long-lasting brush. Its lid stays open when the brush is removed and automatically closes when putting back in place, all without having to touch anything but the handle. Flex Toilet Brush's canister neatly stores the brush when not in use and can be secured to the floor or to any smooth surface. Easy to install, Flex Adhesive Toilet Brush includes non-damaging, waterproof adhesive strips that can be applied on various surfaces such as tiles, dry wall, concrete, etc. (does not work on porous surfaces). Measures 13 x 5 x 3.5 inches (33 x 13 x 9 cm). Part of Umbra's Flex Adhesive Bath Collection.

Attention! Not suitable for children under 36 months.
