Product Description

Experience sleek and sustainable furniture design with Umbra. This modern coffee table provides convenience and quality with its easy assembly and renewable wood construction — 80% of the wood comes from sustainable sources. The 10 mm tempered glass top features polished edges making it easier to clean while providing a clear view of the intricately crafted base. With a 200 lb. (91 kg) weight capacity and scratch-resistant feet, Madera Coffee Table is built to last. Measures 35.25 x 35.25 x 6.75" (89 x 89 x 17 cm). Because wood is a natural finish, every Madera Coffee Table may slightly differ in grain.
