Product Description

The Melody Hook is a unique, stylish storage solution for any space. It's made with FSC (Forest Stewardship Council) Certified Wood and includes nine hooks in total. Versatile for both large and small items, including hangers, Melody is perfect for organizing towels, clothes, hats, bags and other accessories. The mixed materials give the hook a unique look, combining wood with a modern metallic finish on the hooks. It can be used in a variety of spaces, adding a touch of style to any room. Only two screws in the wall are required for an easy installation. Holds 39 lbs. (17 kg). Also available in a valet hook solution.
