Product Description

Introducing the Bellwood Picture Frame – the perfect solution to add a bit of natural charm to any living space. This versatile, double-sided frame is made using sustainable beechwood, making it a modern and eco-conscious choice. It has adjustable orientation options so that you can display your pictures either in portrait or landscape mode. Its unique design also allows you to rotate or pivot the image in order to vary up the look of any space. Bellwood can fit a 5x7 image or float a 4x6.

Attention! Not for children under the age of 36 months.
