Product Description

Room Box Tea Shop, miniature

Explore the world of tea with this beautiful little tea shop. With more than 20 individual parts it is affectionately equipped with various tea caddies, pitchers and teacups, as well as tea and pastry. You can hang this tea shop on the wall or put it on a special place. Miniature enthusiasts will love this beautiful little creation.

For more than 60 years Reutter has been manufacturing its porcelain collections in its own production facility. Reutter's porcelain miniatures are the only ones of their kind to be manufactured in Germany. And they are famous for their attention to detail. During their manufacture the porcelain articles pass through the hands of as many as 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which won Reutter friends all over the world.
